

Vega

(300lm, 700lm, 1100lm, 1800lm)

Solar powered commercial flood light

Built-in motion sensor 

Dusk-to-dawn sensor 

Flicker-free 

- Provided with high output monocrystalline silicon solar panel
 - Dusk-to-dawn & microwave sensor
 - Easy installation with no mains wiring required
- Solar panel and flood light can be installed up to 3m apart with option of extension cable

Remote Control (included)

Solar panel (included)

3 3 Years Product Warranty

General Specification

CRI	>80
L80B10 Lifetime	76000h
Power Factor	1.0
Ambient Temp	-10°C to 50°C
Housing	Aluminium Alloy
Solar panel	Polysilicon
Operation Time	3h/5h/8h/ Auto (10h)
Charging Time	8h
Battery Voltage	3.7V (Li-ion) 3.2V (LiFePO4)
